Important information about Wolverhampton Civic Hall and The Wulfrun Hall

Before your visit we would like to let you know of some changes to ensure getting to the Civic and Wulfrun Halls is as easy as possible.

What difference will you see?

Works on the multi-million-pound refurbishment of the Grade II listed venue have been delayed due to unforeseen circumstances and major changes to the fabric of the building will not be visible to visitors at this time.

Behind the scenes we have improved our wi-fi, improved the electrics and linked up with Ticketmaster UK to help improve the customer experience.

Security measures

You will notice enhanced security measures around the buildings and on your way into the buildings.

- Roads will be closed around the buildings and this will impact upon your route to the Civic Centre car park – please see below for routing advice
- Searches will take place in covered areas outside the buildings
- No bags over the size of an A4 sheet of paper will be allowed into the building. In order to help us speed up entry, please don't bring anything with you that's not essential
- No bottles will be allowed into the building

Additional security measures have been put in place for customer and staff safety. We will endeavour to get you into the buildings as quickly as possible but queuing is likely, especially at sold out events.

When possible, we will open our doors early.

Changes to Car Parking

Red Lion Street, Mitre Fold and North Street will be closed to all traffic on show nights. This means that the Civic Centre car park will no longer be accessible via North Street. Your route into the Civic Centre car park will now be exclusively through Wulfruna Street, meaning that you will need to turn off the ring road onto Stafford Street then turn right into Wulfruna Street. Please use post code **WV1 1LY** for sat nav.

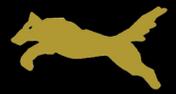

The pedestrian route to the Civic Hall from the Civic Centre car park will remain open.

Important Information for Blue Badge Holders and Access for Business

The city's Blue Badge parking bays can still be reached despite the road closures around the Civic and Wulfrun Halls.

They are situated on Exchange Street, Cheapside and North Street.

Starting at the junction of Darlington Street and Waterloo Road join School Street, at the end, turn left in to Salop Street and then take the next left in to Victoria Street. At the end of the road turn right on to Queen Square before taking a final left in to Exchange Street. This route is shown in **BLUE** on the map, right.

Blue Badge holders are able to drive along the pedestrianised zones of Victoria Street and Queen Square.
